2) Dr Narasimha Iyengar was appointed to
act as Dir of Agriculture, consequent on the
grant of leave for two months to Mr Yegna

retirement from service. ~~He~~ and he was
confirmed as such from 4.3.35,

acted in a clear leave vacancy, the acting

4) According to the calculations
noted on the pension application,
Dr B. Narasimha Iyengar's average
emoluments work up to a figure
which would entitle him to a pension
of Rs 495-13-0 which is less than Rs 500 ~~only~~.
by Rs 4-3-0 only. He requests
that the acting emoluments drawn
by him for 2 months as acting Director
may be allowed to count for pension
so that he may become eligible for a pension
of Rs 500.

5) Dr. Narasimha Iyengar ~~has~~ appears to

In some cases where high officers were given

were made even during the leave period also
for consideration whether on this analogy,

may be allowed as a special case.

19. His probationary service may count for pension. So much of the total period of his deputation, that is, necessary to make up thirty years of qualifying service may also be allowed to count for pension.

20. His request to reckon his officiating salary of Rs. 950 against his substantive pay of Rs. 750/- for purposes of pension during the period of leave of his predecessor for two months from 4-1-1935 to 3-3-1935 is not admissible under the rules, and is not financially acceptable. The case quoted in support of this request is different and a very special one. Mr. Matthan was given as a special case some leave after he retired from service and permanent arrangements were made from the date of his retirement. In the case under disposal, officiating arrangement was made during the leave period of Mr. Vengnanarayana Aiyar. This absentee officer will continue to have a substantive lien

For purposes of pension only the substantive pay of an officer is to be reckoned (Vide Art. 322 M.S.R). The proposal to count acting allowances for pension contravenes the fundamental rules and is not therefore admissible.

Final Note by the Second Member of Council.

Subject.—

Proposal to allow certain concessions to Dr. B. Narasimha Iyengar, Director of Agriculture (on leave preparatory to retirement) in respect of his pension.

N 32 The accompanying papers relate to the request of Dr. B. Narasimha Iyengar, Director of Agriculture, on leave preparatory to retirement from 4th September 1937 for the grant of certain concessions in respect of his pension.

U 33 The history of service of this officer shows that he entered service as a Probationary Assistant Chemist on 1st July 1905 and will have put in by the date of his retirement a total service of 32 years and 2 months. This period, however, includes some probationary service as also a term of about six years during which he was on deputation to Germany for higher studies. Dr. Narasimha Iyengar also acted for a period of two months from 4th January 1935 to 3rd March 1935 as officiating Director of Agriculture on a salary of Rs. 750 plus Rs. 200 acting allowance, and he requests that the acting allowance drawn by him during this period may be reckoned for calculation of average emoluments in respect of his pension.

Pages 3 & 4
J. K. M. S. 34 The Comptroller has noted that the probationary service put in by the officer may be treated as qualifying. As regards the period spent in Germany, he has pointed out that it far exceeds the ordinary term for which deputations are sanctioned and solicits orders whether the whole period of deputation may be counted as qualifying for pension.

Pages 7 & 8
J. K. M. S. 35 The Financial Secretary has expressed the opinion that the probationary service of the officer as well as so much of the period of his deputation to Germany as is necessary to make up thirty years of qualifying service may be allowed to count for pension. As regards the request for allowing the acting allowance drawn by him as acting Director of Agriculture to count for calcu-

calculation of pension, the Financial Secretary says that the request contravenes the fundamental rules and is not admissible

36 I agree with the opinion of the Financial Secretary and beg to recommend that Dr. Narasimha Iyengar may be allowed pension on that basis.

37 The Dewan and the First Member of Council also agree the above proposal and it may be graciously approved.

Letter No. 616 dated the 11th May 1909 from the officer in charge of the Agricultural Chemist's office, stating that Messrs. B. Narasimha Iyengar and N. Sampat Iyengar have remained as Probationary Assistant Chemists for about four years and recommending, with a view to remove any feeling of insecurity which they might feel in their present appointments by being styled probationary, to change their designation to that of Assistant Chemists and to class them as Gazetted Officers.

2. Para 2 of Government Order No. R. 2132/Agri. 44-08-2 dated the 29th September 1908 directing that the question of changing the designation of "Probationary Assistant Chemists" will be considered after the Probationers shall have attained the grade of Rs. 100-10-210 in due course.

Dated, Bangalore, the 12th June, 1909.

Mr. B. Narasimha Iyengar and Mr. N. Sampat Iyengar hold substantive appointments as Probationary Assistant Chemists. The use of the term "Probationary" with regard to their appointment is to be regarded to as merely placing them in a lower class in the appointment of Assistant Chemists. Their promotion to the grade of Assistant Chemists will be considered as already directed after they have reached the maximum of their present grade, Government therefore consider that no change is necessary at present.
